

Samurai Sudoku

35 minutes / 350 points

Five overlapping 9 x 9 grids form one board. Use digits 1-9 once in every row, column and 3 x 3 box of each grid. An overlapping box belongs to both grids.

TOP LEFT / No Three in a Line

No three consecutive cells along a marked line may all be odd or all be even.

TOP RIGHT / Creasing

Digits along each marked line strictly increase or strictly decrease.

CENTRE / Palindrome

Each marked line reads the same in both directions.

BOTTOM LEFT & RIGHT / Clone Along Line

The marked lines contain the same digits in the same order, allowing either direction.

Scoring

Fully solved grids score 90, 80, 70, 60 and 50 points in the order completed. Each must be consistent with the overall solution.
